

Memory Café

Memory Café is a free social engagement program for those experiencing early-stage memory loss. Individuals with early-stage memory loss often exhibit changes in behavior, cognition and daily routine. These changes may cause them to withdraw from social situations.

Memory Café is a fun, safe and educational space for individuals to meet others handling similar diagnoses.

All sessions will be from 1 to 2 p.m. on the second Tuesday of each month at the
Wood County District Public Library
