Ohio Fun Facts

Use the word box below to fill in the blanks.

William Mc Kinley	Kathryn D. Sullivan	Arnolds Sports Festival
hills and valleys	Warren G. Harding	Cincinnati
James A. Garfield	John Glenn	Amateurs
Columbus	Mother	O
William Henry Harrison	tomato juice	Neil Armstrong
Michael L. Gernhardt	Rectangular	
Buckeye	Arnold Schwarzenegger	

- Ohio is known as “The **Mother** of Presidents” due to its knack for producing POTUSes: seven of our 43 presidents have hailed from there. For those playing along at home, that would be Ulysses S. Grant, Rutherford B. Hayes, **James A. Garfield**, Benjamin Harrison, **William McKinley**, William Howard Taft, and **Warren Harding**, and **William Henry Harrison** was born in Virginia but settled in Ohio.
- The state flag of Ohio is unique in a particular way—it’s the only flag out of all 50 states’ that isn’t **rectangular**. It’s believed that designer John Eisenmann may have been inspired by the shape of a pennant carried by the U.S. Cavalry. In addition to its unusual shape, there’s also quite a bit of symbolism in the flag. The red circle represents the **buckeye**, while the white ring around it is an “O” for “Ohio.” The triangles are meant to symbolize the state’s **hills and valleys**. The 17 stars remind us that Ohio was the 17th state to join the Union.
- Presidents aren’t the only thing Ohio is good at creating. As of 2013, 25 NASA astronauts were from the state. Astronauts from Ohio have been the first to walk on the moon (**Neil Armstrong**), the first to orbit the Earth (**John Glenn**), the first woman to walk in space (**Kathryn D. Sullivan**), and the first to take a spacewalk from the International Space Station (**Michael L. Gernhardt**), among other illustrious achievements.
- Ohio is one of the country’s leading producers of **tomato juice**, and is one of America's top producers of the juicy red fruits. (And now you know why tomato juice is the official state beverage.)
- Columbus** is home to an 8-foot, 600-lb, bronze statue of **Arnold Schwarzenegger**. But there’s a good reason for it. The depiction of Arnie from his bodybuilding days is an acknowledgement of the **Arnolds Sports Festival**, an athletic and sports competition he started in 1989 with sports promoter and Columbus native Jim Lorimer.
- Professional baseball was born in **Cincinnati**. Prior to 1869, baseball was mostly a game for **amateurs**. There were a handful of men who made a living playing the sport, but for the most part, it was strictly a fun side gig. Then the 1869 Cincinnati Red Stockings came along with their all-star starting lineup—all nine men were paid professionals. The team embarked upon a road trip later that year where they played against any town willing to put a team together. The Red Stockings won all 57 games.

Brain Games

Here is a mental exercise whose aim is to stimulate the connections or associations between words in your temporal lobe. In the left column you have a pair of words. Your goal is to find a third word that is connected or associated with both of these two words.

The first pair is PIANO and LOCK. The answer is KEY. The word key is connected with both the word piano and the word lock: there are KEYS on a piano and you use a KEY to lock doors.

Key is what is called a homograph: a word that has more than one meaning but is always spelled the same.

Ready to stimulate connections in your temporal lobe(s). Enjoy!

1. LOCK — PIANO Key
2. SHIP — CARD Deck
3. TREE — CAR Trunk
4. SCHOOL — EYE Pupil
5. PILLOW — COURT Case
6. RIVER — MONEY Bank
7. BED — PAPER Sheet
8. ARMY — WATER Tank
9. TENNIS — NOISE Racket
10. EGYPTIAN — MOTHER Mummy
11. SMOKER — PLUMBER Pipe

Blueberry-Cinnamon Campfire Bread

SOURCE: <https://www.tasteofhome.com/recipes/blueberry-cinnamon-campfire-bread/>

Ingredients:

- 1 loaf (1 pound) cinnamon-raisin bread
- 6 large eggs
- 1 cup 2% milk or half-and-half cream
- 2 tablespoons maple syrup
- 1 teaspoon vanilla extract
- 1/2 cup chopped pecans, toasted
- 2 cups fresh blueberries, divided

Directions:

- Prepare campfire or grill for low heat. Arrange bread slices on a greased double thickness of heavy-duty foil (about 24x18 in.). Bring foil up the sides, leaving the top open. Whisk eggs, milk, syrup and vanilla. Pour over bread; sprinkle with nuts and 1 cup blueberries. Fold edges over top, crimping to seal.
- Place on a grill grate over campfire or grill until eggs are cooked through, 30-40 minutes. Remove from heat; let stand 10 minutes. Sprinkle with remaining blueberries; serve with additional maple syrup if desired.

Oven Directions: Preheat oven to 350°. Place foil packet on a 15x10x1-in. baking pan. Bake 25-30 minutes or until heated through? Let stand 10 minutes before serving. Sprinkle with remaining blueberries; serve with syrup.

Pot of Smores

SOURCE: <https://www.tasteofhome.com/recipes/pot-of-s-mores/>

Ingredients:

- 1 package (14-1/2 ounces) graham crackers, crushed
- 1/2 cup butter, melted
- 1 can (14 ounces) sweetened condensed milk
- 2 cups semisweet chocolate chips
- 1 cup butterscotch chips
- 2 cups miniature marshmallows

Directions:

- Prepare grill or campfire for low heat, using 16-18 charcoal briquettes or large wood chips.
- Line a cast-iron Dutch oven with heavy-duty aluminum foil. Combine cracker crumbs and butter; press into bottom of pan. Pour milk over crust and sprinkle with chocolate and butterscotch chips. Top with marshmallows.
- Cover Dutch oven. When briquettes or wood chips are covered with white ash, place Dutch oven directly on top of 6 of them. Using long-handled tongs, place remaining briquettes on pan cover.
- Cook until marshmallows begin to melt, about 15 minutes. To check for doneness, use the tongs to carefully lift the cover
